Performance and style – all BlackBerry.
BlackBerry® Curve™ 9360

The stylish BlackBerry Curve 9360 is a sleek and perfectly proportioned partner for your life. With the trackpad and full QWERTY keyboard, the easy-to-use next-generation BlackBerry 7.1 OS and the latest messaging, social networking and business application tools, you’ll have everything you need to get – and stay – ahead.

BlackBerry 7.1 OS – swift, simple to use.
• The BlackBerry 7.1 OS is the easy-to-use, next-generation BlackBerry operating system. Packed with powerful new features and innovative apps, it delivers the smoothest and fastest BlackBerry experience to date.
• Be productive from virtually anywhere with your BlackBerry Curve 9360. Mobile hotspot* support allows you to share your connection with up to five devices (including your BlackBerry Curve 9360).
• See it clearly. The stunning graphical display gives you highly responsive, fluid animations with smoother, faster rendering.
• Why wait? Get moving with the fastest BlackBerry browser that allows for 40% faster page loading, while voice-activated Universal Search makes it simple to do quick, hands-free searches.
• Get spoiled. Enjoy a variety of new, preinstalled apps and services like BlackBerry Balance™, Documents to Go®, Music Storefront, Social Feeds and more.

Classic BlackBerry style and function.
• Look and feel good. Two curved surfaces – made with premium, non-conductive materials – smoothly come together, front and back, to provide a sleek, stylish, lightweight and ergonomic design that’s super easy to slide in your pocket. At only 11mm thick, this is one BlackBerry that feels “just right” in your hand.

Always on.
Answer anyone. BlackBerry keeps you connected with seamless integration of enterprise and personal email. Whatever you’re busy doing, all of your emails, messages, updates and notifications keep coming through. Which means you can easily bounce from one inbox to another without missing a beat.

Stay in touch.
• Update your clients on your location via picture, text or voice message with new, real-time BlackBerry Messenger 6.1. During downtime, post your status and location to preinstalled apps like Facebook®, YouTube™ or Twitter™.
• Save and share the moment. The 5MP camera with flash is just right for taking both photos and videos, making it simple to share what’s happening at work, at home or on vacation. Also available: BlackBerry Curve 9360 non-camera version.
• Manage your day better. BlackBerry 7.1 OS makes it easy to join, create or schedule meetings. One click to join a meeting, schedule a conference or plan a meeting.

3G/mobile broadband not available in all areas.
* Conquer the world. Enjoy global roaming in more than 220 countries for voice and more than 200 for data.
* Browse at will. Connect your BlackBerry Curve 9360 with simultaneous voice and data from AT&T and review documents, access the Internet, text or IM – while you talk.
* Share like never before. With your Near Field Communication (NFC) technology enabled BlackBerry and BlackBerry Tag™, take sharing content to new heights. Instantly exchange contact information, share working files, notes, videos, music and more.

† International Roaming: Availability, quality of coverage and services while roaming are not guaranteed. International roaming rates apply outside the U.S., Puerto Rico and U.S.VI. Visit att.com/worldpackages to view rates and available discount plans.
* Requires a DataPro 5GB plan. Devices connected to your mobile hotspot use data from your DataPro 5GB plan. Overage charges apply if the included monthly data allowance is exceeded. Performance may vary depending on the number of devices connected and other factors. If you do not use a password, others will be able to use your mobile hotspot connection.
** Access includes AT&T Wi-Fi Basic. Other restrictions apply. See attwifi.com for details and locations.
